

The scheme one replacement dwelling provides accommodation over three levels.

www.corumproperty.co.uk/developments

Total floor area for this development is 525m² where the basement utilises the change in ground levels.

External finishes are natural slate for the pitched roofs. Walls are smooth render with blonde sandstone details.

Basement: Games room, utility, wc and double garage

Ground: Lounge, formal dining room, cloaks, wc, chill-out room, open kitchen/breakfast/family room

First: Five double bedrooms, three en-suite and family bathroom
